

Dear guest,

Welcome on board !!

We have some basic rules we want to share with you, so you and our other guests can enjoy a pleasant stay.

- Please make sure not to flush any strange objects through the toilet. Our toilets function through pumps that are build only to pump what has been eaten with some toilet paper added.
- Smoking is prohibited inside. It is allowed on deck. (Please use the ashtray...)
- As we often more in urban areas, we make sure not to produce any noise after 22:00 hours. This means no jokes / music / loud talking outside after 22:00. If you want to be loud, please be loud inside and close the windows and doors.
- Make sure your bedroom window is closed and firmly tightened with the wing nut if there is a chance of rain or when you are going out.
- Use our service bell if you need help or if you have questions. Please try not to use our service bell after 24:00 hr for futilities. For serious problems we are always there for you.
- Always use the gangway instead of climbing from the ship on the cay or otherwise. Be careful if you had a good time out and walking strait became difficult. Unfortunately people do fall into the water and it is hard to save yourself between the ship and the shore. It's better to come back to the ship in groups, so the others can help or can get help if something goes wrong.
- The time of breakfast will be discussed as you board, if not please ask.
- We do not have a continuous water supply from shore. Instead we use our water tanks, but as you may understand, this is a limited water supply. We ask you friendly not to spoil any water. By example by leaving the tap running while you are brushing your teeth. The toilets also flush using drinking water so please use the saving button.
- Our private quarters are on the back of the ship, please keep them private if you don't need us for anything.

If there are any questions - after reading these rules or in general - please do not hesitate to ask them.

We are at your service !

To reach us on board please use the service bell in the hallway.

To reach us by phone please dial +31 610205333

Kind regards,

Crew Tsjerk Hiddes.
